- Thursday - Ambulance and Bugle Band.
- Friday - Gymnasium.
- Saturday - Football.

The Boxing Day Football match against the 1st Enfield Company will be played on the Enfield Football Club's Ground, and tickets are now available.

The following has been received from Mr. Sneath :-
 O Yes! O Yes! This is to state that there will be a Grand Opening of the Club Rooms Canteen in the near future (The Band will not parade). You are hereby invited to spend your surplus money (after paying Income Tax and other Self Denials) in the above said Canteen. Owing to the fact that the Licensing Board have not granted us a license, this Canteen will be Dry. Like all other Big firms, there will be a Competition at the Opening, of which I reserve the sole right of judgment and execution.

COMPETITION. The first boy who is able to prove that this Canteen is a "WAGGLE" will receive a very valuable prize. The first prize in this Competition will be a - good hiding. The only conditions of entry are that Competitors must not be more than 5' 4" in height, and must have had no lessons in the gentle art of boxing. The name of the Cemetery preferred must be shown in the Entry Form.

Ask your Fathers to let you buy their weekly tub of Makintosh's Toilet at our Canteen (Fathers are advised to call for their Orders). Save your Pocket Money until Monday night and get Mother's bar of Cadbury's from us. Help to keep the Club Rooms and the Company going by spending your "splosh" in our own shop. No tick, and no over-weight given, but we do not stick a lump of Spearmint under the Scoop. "Do as Yoys?". "NO, of course you don't". This is the same firm who picked your pockets at Camp, so "Roll up and let us pick them again".

FOOTBALL.

The 1st Eleven again succeeded in their match with "Riverside" last Saturday week. Score 2 - 1. Although at the start it was very foggy it cleared off towards the end and a good game resulted.

I must say the team showed a great improvement on the week before, and the passing was much better, and whenever the opportunity came to shoot, the forwards always took it. Both Barwick and Pogram appear to be exulting "Fancy" Talden and "Jimmy" Dimmock respectively. Pogram scored the first goal, and Albert Craig the second with a fine drive. Tom Sweetman made several good openings which Skipper Burton did not fail to make use of. Mention must also be made of Arthur Warren, who showed very great improvement.

Although our opponents were not what we expected, they were a clean, sporting lot of fellows. That is the matter with our poor old 2nd Eleven losing to the 1st by 4 - 0 ??? I hope you will be recording some wins, you have the talent, don't be do hearted.

A.V. Halford.
