We are all glad to know that Capt. Chopping is getting along quite well after nearly cutting one of his fingers off, and trust that very shortly he will be allowed out after dark, and so be able to attend the various Meetings of the Company. In the meantime let us all do our share of the work, and see that everything goes along smoothly.

Tell your Parents to keep the evening of November 7th open, from 7.45pm. as on that day a Grand Concert will be held in the Lecture Hall, when the Officers wish to meet the Parents. An excellent programme is being arranged. All Star turns, with Mr. Sandy Brown topping the bill. No charge will be made, but a collection will be taken to help defray expenses. Remember this Concert is for Parents, and not for the members of the Company.

What about our First Eleven now. Hot stuff! I hope they will keep it up and save some of those excellent shots for the other Companies in the League Fixtures.

And what about our Bible Class. I should think there would be a good sale for Alarm Clocks now. What has Lieut. Sleath and Staff. Sergt. P.C. Slaford to say about buying one? It was like getting up in the dead of night last Sunday, but it had to be done, and it will have to be done in future. It is a good sign that the Company is in good trim if we can keep our attendance up to its present high state under the new order of things.

UNIFORM

All of you now have your Uniforms. It is ~~truly~~ not a very elaborate one but it entirely depends upon the wearer, whether it looks smart or not. Don't be afraid to polish the leather of the belt, as well as the buckle. Get your haversacks in good order, spotlessly white, with shining runners. Keep your hats brushed and the braid white. Remember the uniform belongs to the 3rd. Wear it well, keep it properly and be proud of it.

The B.E. Uniform has stood the test of time.

Will Officers and boys kindly send me any articles, questions, or facts you would like to see in the next News-sheet. These must reach us by Monday evening at the latest.
