DON'T MISS OUT ON CAMPUS -
RESERVE YOUR PLACE ... NOW!

STOP! Its' not THAT sort of
B.B. event - THIS is something
NEW!

CAMPUS '83

Campus '83 is a new style BB event to mark the Brigade's Centenary — to be held in the magnificent setting of the Cathedral and University of Durham. The keynote of Campus '83 will be CELEBRATION — young people together celebrating a great milestone in the history of the BB.

It will also be a time for looking forward, for many of the young people who attend will be the future leaders of the Brigade. As we share together in worship, in varied activities and informal fellowship we shall not only celebrate what has been achieved since 1883, but will have our sights firmly on the second century. Campus '83 promises to be a very special experience for those who are privileged to attend.

CAMPUS AT WORSHIP

Worship will be an important part of Campus '83 and Durham Cathedral will provide a majestic setting for the special services and 'happenings' to be held during the week. Each day will commence with worship in the various colleges.

ALL SORTS of folk will be at CAMPUS.

Welcome!

Here is great News!

The time has arrived to REGISTER FOR CAMPUS '83 at Durham. Approximately 500 have so far indicated a wish to attend and now is the opportunity to make sure of your place by completing the REGISTRATION FORM with this pamphlet - to ensure that you will participate in this great and historic BRIGADE CENTENARY EVENT.

WHO CAN ATTEND

Campus '83 is open to NCO's and Seniors aged 15+ and young men and women who are Staff Sergeants, Warrant Officers and Officers up to and including the age of 25 years. Included in the attendance of about 1,000 will be a number of BB members from overseas, representatives from other member organizations of the European Fellowship and kindred movements in the UK. There is no limit on the number attending from each Company and registrations will be accepted on a first come first served basis.

COST

The cost of Campus '83 will be approx £100 including a special Campus '83 sweatshirt. In some cases Companies and Battalions will help to subsidise this amount. Travel costs can be eased by young people from one area travelling together by car or minibus. Various coach services call at Durham and this may prove the cheapest form of public transport.

THE ACTIVITIES

SPORT

From traditional, routine sports through to more adventurous and recent activities: the opportunity to improve existing skills or to attempt a new event; coaches who can develop personal skills and show how to communicate these teaching techniques on to Boys in your Company.

These are some of the aims of the CAMPUS '83 Sports programme and the detailed subject list which will be issued with the personal data sheets after you have registered will give you the opportunity to select from some thirty different sports activities.

Based mainly at the University of Durham's Sport Centre, Maiden Castle, and including practically all other sports facilities in the area you can be assured of a very full and exciting programme.

ENVIRONMENTAL STUDIES

Around Durham we are provided with an excellent opportunity to investigate the natural world and man's impact upon it. Therefore, we offer the following subjects: Nature study; under expert guidance we will visit sites of ornithological and botanical interest. Local history; visits will be made to many of Durham's ancient buildings and we hope to invite inhabitants of the City to share the more unusual aspects of local folklore. Pioneering; you will be given the opportunity to test your initiative, inventiveness and ability to survive. Alternative energy; we hope to introduce you to many innovations and give you the opportunity to construct your own power source. Computer studies; this subject has something for all whether novice or expert. Conservation; it is hoped that while discussing aspects of environmental conservation we may also be able to help the local conservation groups in practical tasks.

CREATIVE ARTS

Many at CAMPUS will take this opportunity to continue an activity that they already enjoy, while others will want to try something new - or something that they have not had the chance to tackle before. While the individual courses are designed primarily for enjoyment there will also be an element of how to put it across 'back home' in the Company.

Many subjects on offer are that little bit different, woodwork at school or badge class ... yes, but wood carving - is that going to be too difficult? Only one way to find out. Need photography be too expensive! ... and can we use the techniques of brass rubbing elsewhere other than in a Parish Church? Then you say have considered VIDEO as the shops fill up with expensive looking equipment ... what do you do with it ... what CAN you do with it?

When making your booking for Campus and choice bear in mind that a wide range of activities are on offer and this will be the chance to try something NEW!

DRAMA, DANCE AND MUSIC AT CAMPUS

All of these activities have been planned to offer the greatest possible range of exciting and unusual experiences in the performing arts. Drama Groups will explore the making of short Street Theatre pieces and the skills necessary for mounting a musical show. There will be opportunities for sampling Jazz Dance and the whole field of Contemporary Dance as a Theatre Art and as an aid to modern worship.

MUSIC will be fun at CAMPUS, with opportunities to share and learn. Whatever your standard, there will be a chance to join large or small groups playing and singing traditional and more popular music and working on a joint production with drama and dance groups. If you can carry your instrument, bring it with you and others should also be available; with demonstrations and workshops and hints on playing all provided.

Rock workshops Drama Dance leave it all to us!

THE CHOICE IS YOURS!

You'll be in good company!

**Packed with
fresh ideas**

"HEARTBEAT" - the resident Band

THE FRINGE

A Fringe is what can annoy, but at CAMPUS the Fringe will stimulate!

Fringe will impinge upon you, but it will provide you with a nightcap of unforgettable experiences from World Egg-throwing record attempts, Raft Race on the River Wear, Disco's, Music Concerts, Debates, Moral issues and fun etc - etc - etc.

Fringe is for the Campusites to do what they want. We will help provide facilities, space and advertising - then it's up to you!

Why not begin preparing for Campus by entering for the Campus song Competition - for the winning entry there is a prize of £15 deducted from your total fee - entries to:-

I Hoskins, 126 Hollycroft, Hinckley,
Leicestershire. LE10 0PQ.

by 31 May 1983.
